**Meeting Date:** May 16, 2017

**Office:** County Attorney

**Issue:** **Amendment to the Board's Rules of Procedure**

**Board Action:** Amending the Board's Rules of Procedure to add Section 1-6.

**Attachment:** Amendment to Rules of Procedure May 2017

**Summary:** Amending the Board's Rules of Procedure to add Section 1-6, addressing recordation of Board meetings.

**Recommendation:** That the Board approve the Amendment to the Board's Rules of Procedure adding Section 1-6.

**Section 1-6.                    Recording Meeting Proceedings**

A.        Any person may photograph, film, record, or otherwise reproduce any portion of a Board meeting that is open to the public.

B.        The County Administrator will identify the area where cameras or other recording equipment may be placed so as to ensure that the process of recordation does not interfere with the meeting proceedings. The area may vary depending on the number of people seeking to record the meeting and the location of the meeting; however, recording equipment shall not be placed behind Board members and shall be located at a distance of at least five feet from any persons speaking before the Board.
