#### Leadership Institute Suite for Supervisors

Amherst County is honored to be hosting the Fall 2017 Leadership Institute Suite for Supervisors. Facilitated by Pamela K. Smith, LPC, CEAP of All Points EAP & Organizational Services. The suite of workshops includes topics such as work style differences, excelling as a leader, dealing with conflict, performance feedback, boundaries in the workplace, and stress and time management. The training has attracted twenty-five supervisors, managers and potential supervisors from Amherst County, the Town of Appomattox, the City of Lynchburg, Farmers Bank and Medical Associates.

There are still a few slots open in the next Leadership Institute for Supervisors that will be offered in Lynchburg starting October 4, 2017. The series is also great for employees that are being considered as potential supervisory staff. The Leadership Institute is offered on a rotating basis throughout the region. Employers interested in hosting the Institute or sending staff to the next series of workshops may contact All Points EAP & Organizational Services at (434)845-1246.
