

# Amherst County Recreation & Parks Dept 2016-2017 Basketball Scouting Combine

The Recreation Department is holding a "Basketball Scouting Combine" for all players in the 9 to 11 years old, 12, to 14 years old, as well as for the 15 to 17 age divisions. *Please mark your calendar to attend the scouting combine based on the age divisions listed below.* A scouting combine is an event in which all of the players demonstrate a combination of skills, such as passing & dribbling. This aids the coaches in knowing the needs and abilities of the players. Once the teams are determined, the coaches will reflect back on the combine to begin planning their practices to help the players improve upon the areas that they are weak in, as well as the areas that they are already strong in. This also has an additional benefit of helping coaches to assemble better balanced teams. Having better balanced teams can reduce the possibility of lopsided games. Lopsided games tend to short change everyone. The winning team is not really challenged and thus they are less likely to reach their potential. The losing team in some cases can become disheartened and lose interest, which also prevents them from reaching their potential

- Having balanced teams equates to more exciting games.
- More exciting games lead to players wanting to and actually working harder.
- Working harder will bring a sense of accomplishment and pride.
- Accomplishment and pride will spill over and have a positive impact on their lives.

Any player, who registers before **Tuesday Nov 1st**, will be put on a team. **In order to be eligible to be drafted a player must attend the Scouting Combine.** *If a player cannot attend the Combine they will be randomly placed on a team. We strive to see that each team has an equal number of players and to keep the number of players on each team to a minimum, in order to give each player the best opportunity to learn & grow.*

### **Important Details:**

1. This event should take less than 60 minutes. Players should come prepared to run drills and to play some games of 2 on 2.
2. Look for the registration table where the players will get their pre-assigned number to wear.
3. Due to limited space in the gyms, we will not be offering any seating.
4. Once each player has completed all of the events, they are free to leave. The teams will be drafted on the day of the combine and posted to web site on or by **Friday Dec 2nd**
5. ***The first scheduled practice will be on Saturday December 3rd***

# Amherst County Recreation & Parks Dept 2016-2017 Winter Youth Basketball

## INFORMATION

**PURPOSE:** The purpose of the Amherst County Recreation & Parks Department's Youth Basketball program is to give the youth of the county the opportunity 1) To participate in a team sport 2) To learn the skills and rules of basketball 3) To learn to use good sportsmanship, have fun, and meet new friends

Each coach is required to play every player 50% of each game. The intent is to help each player grow individually as well as learn to work together as a team. We are fortunate to have many wonderful coaches. Some coaches have invested much of their own time to become certified. While these coaches may know a lot about basketball, they may not have had the chance to get to know any of the players prior to forming a team. The Recreation Department is holding a Basketball Scouting Combine. Please see the opposite side for more details on the Scouting Combine.

**Fundamentals:** The Fundamentals divisions consist of two age groups. The Hokies are for 5 & 6 yr old boys and girls and the Wahoos are for boys & girls who are 7 & 8 years old. While there will be a level of competition, it will be focused around drills and not a traditional basketball game. It runs for 8 weeks and will meet for one hour a week.

**Team Play :** The teams meet 1 week night and Saturdays, at one of the school gyms. A Division (age group) will be formed as long as there are enough players. If we don't have enough players in an age group we will either combine ages or delete a group.

**Coaches:** Our program couldn't exist without volunteer coaches like you. Please let us know if you would be available to help. We encourage and offer on-line coaching classes to our coaches at no charge. We also bare the expense of running background checks on all of our coaches.

**Age limit:** Each Division is made up of specific age groups and a player will be placed into a division based on their age as of October 31st 2016. If this is the first time that you've participated then players must show a copy of their birth certificate.

**Registrations** There are 4 ways and/or times that you can register.

1. You can register at the Recreation Dept. Monday - Fridays 9:00am-4:30pm.
2. You can register Tues, Wed or Thurs between 6 & 7pm at the Coolwell Recreation Center whenever regularly scheduled soccer practices are typically being held. Soccer practices begin in Sept and run through Oct 29<sup>th</sup>.
3. You can register from 9am until noon at the Coolwell Recreation Center when soccer games are normally being played. Games begin on Sat 9/10 and run through Oct 29th.
4. You can also register on-line at [www.CountyofAmherst.com](http://www.CountyofAmherst.com). If a player is registered online then a parent or guardian **must attend** the combine and sign a waiver, before a player will be allowed to participate. A parent/guardian signature is the only acceptable signature.

**Uniforms:** All players will be given a team shirt to keep. Be sure the correct shirt size has been put on the registration form. If the wrong size is ordered, the parent/guardian is responsible for reordering the shirt if desired at an additional cost of \$15. Due to the lead time required to have the shirts made, the Recreation Dept. will only place one re-order of shirts. When specifying the shirt size, we suggest ordering one size larger than you normally would wear.

**Insurance:** The Amherst County Recreation & Parks Department does not carry insurance on players, coaches, volunteers, or spectators. Parents/guardians are responsible for the cost of medical bills relating to any injuries.

**Refunds:** **No refunds will be given after 11/21/2016.** Requests for refunds must be submitted in writing.

**Girl's league** Typically this league will include 9, 10 & 11 year olds in one division and 12,13 & 14 year olds in another division. This season the girls teams may adapt a 3 on 3 format. The determination on whether we will play 3 on 3 or 5 on 5 will be made once the final number of players is known.

**School players:** An individual playing on a school team is eligible to play on a Recreation League team (provided the school team allows it). These players must register during the regular registration dates. These players will be drafted equally among the teams. *A player must be able to handle their school work and be able to give both their school team & their Rec Team the same high level of commitment which needs to be given much consideration prior to registering.* You should also check with your school coach for their policy.

**Practices:** Practices will start on Saturday Dec 3rd. We have many teams to accommodate so each practice is limited to 1 hour time slots. Balls are provided for players to practice and play, so please don't bring any type of balls to the gym.

**School Rules:** In order to be able to use the school gyms we must comply with their rules, so we will need to enforce any posted rules. Typically the schools will not allow food or drinks in the gyms. There is water available in the gyms. **NO SMOKING** School policies prohibit any sort of smoking & tobacco usage, regardless of being inside or outside while on school property. Smokeless devices and/or vaping are considered a form of smoking and follow the same rules as smoking & tobacco usage

**Start times:** The gyms will be opened 10 minutes prior to the first scheduled practice/game.
