Joshua Warner (434-826-8192) approached the Recreation Board with a proposal to do an Eagle Scout project at Mill Creek Lake. This project is cleaning up an area on Bearfield Road at the lake's edge next to where he lives. The Recreation Board was unaware that there is a designated "park" area there. Sara Lu was assigned to investigate the 'validity' of this lake area as being a county park before the Board takes action on this proposal. If necessary, Joshua will move his Eagle Scout project to the picnic area at Thrasher's Lake Park as a "plan B". Considering Joshua needs to complete this project within the next 6 months, Sara Lu will contact Joshua as soon as it has been determined the best plan of action (A or B).

The Board reviewed the senior social calendar and reports, bingo reports, program reports, community center calendars, and theme park and night fishing reports.

The Board reviewed the activities and events that took place in November.

The next meeting of the ACPRCD Board will take place on Monday, March 12th, at 6:30PM.

There being no further business, John made a motion to adjourn the meeting. Stevie seconded the motion. Motion carried.
