Olde Town Madison Heights Spring Cleaning Days Continue

The spring cleaning continues! The Olde Town Madison Heights clean-up days were a huge success in April. As a result, Public Works will hold two additional Clean-Up Days for Olde Town Madison Heights in May. A 30-yard trash container will be available at 502 Main Street in the Solid Rock Church parking lot from 7:30-12:00 pm on Saturday, April 14th, and Saturday, May 21st. Residents may use the container to dispose of trash, tires, furniture, and appliances free of charge.

These events are part of a good-faith effort from the Amherst County Administration to mitigate future legal efforts to clean up the area. These days are an opportunity for residents to clean up their properties before the County moves forward with citations. During the clean-up days in April, Public works removed six trash containers of debris from Olde Town Madison Heights and an additional six containers from surrounding areas.

Amherst County would like to thank the Public Works Department for coordinating this event and all the community members who worked to make them such a success!
