County Expands Virginia Department of Housing and Community Grant

Over the past several years, Amherst County has been awarded grant funding from the Virginia Department of Housing and Community Development to rehabilitate and renovate housing needs in the Old Town Madison Heights area along Main Street.

Due to the positive outcomes of this project, the County has begun efforts to extend the program throughout the Old Wright Shop Road and Lakeview Subdivision communities to further the restoration efforts in the South Madison Heights area.

A community meeting to discuss the condition and housing will be held later this month. Letters of invitation were mailed out to impacted homeowners and tenants on August 10th.
