### Landscaping at County Welcome Sign

Beautification of the Route 29 Business Corridor continues with landscaping work in front of the Amherst County welcome sign at the interchange of Route 210 and 29 Business. The Route 29 Business Beautification Committee funded the project, and the work was done by the Route 29 Corridor Liaison-Ground Technician, Public Works staff, and members of the Community Development Office. Mop cypress, daffodils, daylilies, crepe myrtles, and holly trees were planted, and edging was placed around the landscape work. The project is part of the committee's mission to beautify the roadways and show pride and appreciation of attractiveness of their community.
