Purchasing Technician Sheila Campbell Retires

After serving the county for 31 years, Sheila Campbell will retire from her position as a purchasing technician at the end of June. Sheila joined county staff in September 1994 with a desire to give back to the county where her family has lived for six generations. Among other duties, Sheila often served as the face of the purchasing department, greeting staff, citizens, and contractors as they entered the purchasing office. She worked with nearly every county department during her tenure, handling both large projects and small purchases, and treated them all as equally important in serving the citizens. Her hope as she leaves the county is that her work contributed to keeping Amherst County a pleasant place for people to live and work.
