Two Businesses Awarded A+ Improvement Award

On Friday, June 6, the Route 29 Business Beautification Committee (BBC) presented both the Monacan Indian Nation Health Clinic and the Amherst Community Health Center with A+ Improvement awards for their recent developments along Route 29 Business. Both of these organizations have committed to serving the citizens by expanding their services, and they have done so in a commendable manner. Their new buildings are state-of-the-art and bring a nice look to the Corridor.

The BCC established the A+ Improvement Award in the Spring of 2023. It is presented periodically to companies within the Route 29 Business Corridor that demonstrate excellence in showcasing their businesses and share in the committee's vision of enhancing the beauty of Amherst County.
