1.0 PURPOSE

Amherst County, Virginia is seeking a vendor for use in towing, storage and disposal of vehicles which have been designated as inoperable or abandoned pursuant to Chapter 9, Article 6 of the Amherst County Code and Title 46.2, Chapter 12 of the Code of Virginia (1950, as amended).

2.0 STATEMENT OF NEEDS

Amherst County, Virginia is seeking a vendor(s) for use in removing all vehicles which have been designated as inoperable or abandoned by appropriate County staff. A towing business is needed to remove inoperable or abandoned vehicles from County residential and commercial properties under the authority granted under the Amherst County Code and Code of Virginia. The towing company shall be responsible for entering properties and removing inoperable or abandoned vehicles after notice from the County. Once the vehicle has been removed, the vendor(s) must store the vehicle(s) for up to a maximum of five (5) days at an agreed daily rate. If the vehicle(s) is not reclaimed by the owner after five (5) days, then the vendor shall dispose of the vehicle, unless otherwise instructed by the County. Any proceeds from disposal of the vehicle will be obtained by the towing company for payment of services. At the option of the County, after five (5) days, the vendor(s) shall tow the vehicle to a lot owned by the County at no additional cost. The vendor(s) shall provide a list to the County on a weekly basis of the vehicles being stored and how long each vehicle has been stored. The vendor(s) must have enough equipment to be able to pull at least four (4) vehicles at one time. The vendor(s) must have the capacity to tow both light duty and heavy-duty vehicles. Any cost shall be born upon the property owner if picked up within the established timeframe.

All removals shall occur Monday through Friday during daylight hours only. Some removals may be more complicated than others; the successful vendor(s) must be willing and able to dig out vehicles that are embedded in soil. The successful vendor(s) shall be required to perform all tows of inoperable or abandoned motor vehicles for the County. A job may only be refused upon a showing by the vendor(s) that he/she is physically not capable of performing the work. Any liens filed by the vendor(s) for storage costs may be filed after the County files a lien for other unpaid costs. The vendor(s) shall be responsible for all costs involved in towing vehicles to salvage and all costs involved in resolving title issues. The vendor(s) shall also carry the appropriate insurance to cover any/all damages to property at the location of the tow. The initial period of the contract will run from the date the contract is awarded to June 30, 2026 with the potential for up to three (3) one-year renewals.

4.0 EVALUATION AND AWARD CRITERIA

4.1 Proposal Selection Process

This Request for Proposals is part of a competitive procurement process which helps to serve the best interest of the county. It also provides firms with a fair opportunity for their services to be considered. The process of competitive negotiation being used in this case should not be confused with the different process of “competitive sealed bidding”. The later process is usually used where goods and/or services being purchased can be precisely described and price is usually the sole determining factor. With competitive negotiation on the other hand, price is not required to be the sole determining factor, although it may be, and the county has the flexibility it needs to negotiate with one or more firms to arrive at a mutually agreeable relationship. Offeror’s are to make written proposals which present the offeror’s qualifications and understanding of the work to be performed. Offeror’s are asked to address each evaluation criterion and to be specific in presenting their qualifications. Your proposal should provide all of the information which you consider pertinent to your qualifications for the project.

Selection shall be made of two (2) or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the request for proposals. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the county shall select the offeror which, in its opinion has made the best proposal and shall award the requested services to that offeror.

4.2 Proposal Evaluations

- A. All proposals submitted will be reviewed and evaluated by a representative committee for Amherst County.
- B. Following are the specific evaluation criteria to be used for judging proposals and the total possible point value to be assigned to each evaluation factor. The maximum possible score that a proposal could receive is 100 points.

EVALUATION CRITERIA FACTORS	POINTS
A. Vendor shall be a licensed and insured towing service located within 10 miles of Amherst County.	15
B. Cost.	30
C. Ability to tow all sizes of vehicles from light duty to heavy duty.	20

E. Ability and availability to properly and safely transport and store all towed vehicles to a private lot or the County impoundment lot, at the discretion of the County.	15

5.0 GENERAL TERMS AND CONDITIONS

5.1 APPLICABLE LAWS

This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the County. The County and the contractor are encouraged to resolve any issues in controversy arising from the award of the contract or any contractual dispute using Alternative Dispute Resolution (ADR) procedures (*Code of Virginia*, § 2.2-4366). The contractor shall comply with all applicable federal, state and local laws, rules and regulations.

5.2 ANTI-DISCRIMINATION

By submitting their proposals, offerors certify to the County that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and § 2.2-4311 of the *Virginia Public Procurement Act (VPPA)*. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion,

religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia*, § 2.2-4343.1E).

In every contract over \$10,000 the provisions in 1. and 2. below apply:

1. During the performance of this contract, the contractor agrees as follows:
 - a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
 - b. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.
2. The contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

5.3 ETHICS IN PUBLIC CONTRACTING

By submitting their proposals, offerors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal), and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

The offeror shall identify any actual or potential conflicts of interest that exist, or which may arise if the offeror is recommended for award, and propose how such conflicts might be resolved.

By his/her signature on the proposal documents submitted, each offeror attests that her/her agents and/or employees, to the best of his/her knowledge and belief, have not in any way colluded with anyone for and on behalf of the offeror, or themselves, to obtain information that would give the offeror an unfair advantage over others, nor has he/she

colluded with anyone for and on behalf of the offeror, or itself, to gain any favoritism in the award of this Request for Proposal.

5.4 IMMIGRATION REFORM AND CONTROL ACT OF 1986

By submitting their proposals, offerors certify that they do not and will not during the performance of this contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.

5.5 ANTITRUST

By entering into a contract, the contractor conveys, sells, assigns, and transfers to the County of Amherst all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the County of Amherst, relating to the particular goods or services purchased or acquired by the County of Amherst under said contract.

5.6 CLARIFICATION OF TERMS

If any prospective offeror has questions about any specifications or other solicitation documents, the prospective offeror should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

5.7 PAYMENT

5.7.1 To Prime Contractor

- a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
- b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- c. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.
- d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the County shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (*Code of Virginia*, § 2.2-4363).

5.8 QUALIFICATIONS OF OFFERORS

The County may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the County all such information and data for this purpose as may be requested. The County reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The County further reserves the right to reject any proposal) if the evidence submitted by, or investigations of, such offeror fails to satisfy the County that such offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.

5.9 CHANGES TO THE CONTRACT

Changes can be made to the contract in any of the following ways:

1. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.
2. The County may order changes within the general scope of the contract at any time by written notice to the contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The contractor shall comply with the notice upon receipt. The contractor shall be compensated for any additional costs incurred as the result of such order and shall give the County a credit for any savings. Said compensation shall be determined by one of the following methods:
 - a. By mutual agreement between the parties in writing; or

- b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the County's right to audit the contractor's records and/or to determine the correct number of units independently.

5.10 DEFAULT

In case of failure to deliver goods or services in accordance with the contract terms and conditions, the County, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the County may have.

5.11 TAXES

Sales to the County are normally exempt from State sales tax. State sales and use tax certificates of exemption, Form ST-12, will be issued upon request. Deliveries against this contract shall usually be free of Federal excise and transportation taxes. Sales tax, however, is paid by the County of Amherst on materials and supplies that are installed by a contractor and become a part of real property. Contractors are not exempt from paying taxes on these categories, as they are considered to be a cost of doing business and should be considered in pricing when preparing a proposal.

5.12 INSURANCE

By signing and submitting a proposal under this solicitation, the offeror certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. For construction contracts, if any subcontractors are involved, the subcontractor will have workers' compensation insurance in accordance with §§ 2.2-4332 and 65.2-800 et seq. of the *Code of Virginia*. The bidder or offeror further certifies that the contractor and any subcontractors will maintain these insurance coverages during the entire term of the contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

MINIMUM INSURANCE COVERAGES AND LIMITS REQUIRED FOR MOST CONTRACTS:

5.14 NONDISCRIMINATION OF CONTRACTORS

A bidder, offeror, or contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

5.15 AUDIT

- (b) All time limits stated in the contract documents, including but not limited to the time for completion of the work, are of the essence of the contract.
- (c) Anything called for by one of the contract documents and not called for by the others shall be of like effect as if required or called for by all, except that a provision clearly designed to negate or alter a provision contained in one or more of the other contract documents shall have the intended effect.
- (d) By submitting a bid or proposal, the successful bidder agrees to enter into a contract satisfactory to the County that contains only those provisions that are acceptable to the County and are consistent with the Bid documents. A 'form' contract generated by corporate headquarters, agent, or attorney for the bidder will not be acceptable to the County.

5.18 LAWS AND REGULATIONS

- (a) The contractor shall comply with all laws, ordinances, rules, regulations, and lawful orders of any public authority bearing on the performance of the work and shall give all notices required thereby.
- (b) This contract and all other contracts and subcontracts are subject to the provisions of Articles 3 and 5, Chapter 4, Title 40.1, *Code of Virginia*, relating to labor unions and the "right to work."
