Second Stage Holiday Market this Saturday

This coming Saturday, December 15, Second Stage Amherst will be hosting the last of their 2018 indoor markets, from 11 am to 3 pm. The market will be held in conjunction with Save Our Animals Rescue's Annual Santa Paws Winter Bazaar.

Numerous artisans will be offering locally and handmade gift items for unique holiday shopping. Many regular market vendors and several new faces will be offering sweet and savory foods. Lunch to eat-in or take-out will be offered. Studios will be open throughout the building during the day.

Santa Paws Winter Bazaar is a benefit that supports Save Our Animal Rescues (SOAR). SOAR is an organization that pays medical bills for critically injured animals in Amherst County. They invite attendees to bring a pet to have a photo with Santa, for a \$15 fee. Santa Paws vendors will be offering pet related items/treats. Hours will also be 11-3.

Admission is free.
