Amherst County Welcomes Nathan France

Amherst County would like to welcome Nathan France to our staff. Nathan will be filling the vacant role of Human Resources Specialist in the HR department. In addition to serving as the administrative assistant for the department, Nathan will assist in various human resource functions including recruitment, onboarding, and training.

Nathan grew up in Bedford County and graduated from Jefferson Forest High School in 2008. Much of his time growing up was spent in Amherst County with his grandparents. After moving to Richmond, Nathan worked in landscaping and studied human resources and mass communications at Virginia Commonwealth University. In 2017, he graduated with a Bachelor of Science in Inter Disciplinary Studies. For the past few years, Nathan has been working in property management but is excited to be back in Amherst and working in human resources. “I enjoy helping people cultivate their talents and helping them find a good fit within an organization.”
