Public Comments at the Board of Supervisor's April 17 Public Hearing

The Amherst County Board of Supervisors will hold an Emergency Electronic Meeting regarding CDBG funding to small cities, towns, and rural counties to respond to local needs related to COVID-19 response. The meeting will take place on April 17, 2020 at 4:00 pm. The public can join the meeting online at this link: <https://global.gotomeeting.com/join/816784061> or dial in by phone **(646)749-3122** Access Code: **816784061#**. All participants will be muted by the County Administrator at the beginning of the meeting. Anyone who causes a disruption by continually unmuting themselves will be asked to leave the call.

Citizens wishing to address the Board during the Public Hearing will have two options. Those attending the meeting using the link will be asked to place their name and address in the comments section of the meeting and a request to speak. They will be unmuted one at a time during the public hearing portion and invited to address the board. Those calling in by telephone should email the Public Information Officer, Joy Niehaus, at jlniehaus@countyofamherst.com with their name, address, and phone number so they can be unmuted when it is their turn to speak. Speakers must identify themselves to the meeting by stating their name and address before making their comment.

Information about the CDBG grant can be found online at:
