County Launches Virtual Citizen's Academy

Amherst County Administration has launched a Virtual Citizen's Academy. This program covers fourteen different departments and services provided to Amherst County citizens. Each department shares their work and how they serve Amherst County citizens and guests.

Videos range from 2-6 minutes and can be viewed on department pages on the county's website. A 60-minute video containing all 14 segments is available on the county's [YouTube channel](#), along with the individual videos.
