Route 29 Corridor Liaison Starts Work

As part of the 2024 Fiscal Year budget, the Board of Supervisors approved the addition of a Route 29 Corridor Liaison-Ground Technician to County Staff. This individual started with the County in July and has recently finished all required Virginia Department of Transportation safety training. The Route 29 Corridor Liaison-Ground Technician is part of the Public Works Department and will be working alongside other members of that team to improve the appearance of the Route 29 Business Corridor in Madison Heights.

Improvements are already underway, with employees working last week to clean medians and roadsides throughout Madison Heights. Together, the crew cut grass, cleared overgrown brush, pulled weeds, cleaned medians, and picked up trash. Over 1000 lbs. of dirt and refuse were removed from one stoplight alone. Follow #CleanUpThe29BCorridor on Instagram and Facebook for more photos.
