### **Route 29 Business Beautification Public Meeting: April 4<sup>th</sup>, 2019**

The Route 29 Business Beautification Corridor Committee was formed in the Fall of 2016 and looks to beautify the roadways of Amherst County so as to instill pride and appreciation of the citizenry and the attractiveness of their community. The committee looks to provide citizens an opportunity to take an active role in the appearance of our community and believes that government agencies, businesses, non-profits and community groups can play an active role in facilitating an attractive and highly functioning business corridor. A Public Community Meeting with the Route 29 Business Beautification Corridor Committee will be held on April 4th at the Madison Heights Public Library at 6:00 pm. This meeting will look to engage the public in information regarding the committee's current projects such as VDOT sidewalk installation, litter cleanup, planting of trees, installing sign banners, blight removal and lighting throughout the corridor. The committee welcomes the public to attend the April 4th meeting and also invites the public to join the meetings that are held the fourth Wednesday of every month at the County Administration Office in the Co. Admin. Conference Room at 4:00pm.
