Swimming at Mill Creek Lake

At the Board of Supervisor's July 16th meeting, an ordinance 2019-0006 was adopted to allow swimming at Mill Creek Lake. Swimming is allowed in the entire lake. A shallow area will be roped off, for swimming only, in which boats and fishing will not be allowed. However, swimming at Mill Creek Lake will not be allowed until appropriate signage is posted. Amherst County will notify the public of the date at which swimming will be allowed. County Administration has been directed by the Board of Supervisors to place sand at the water's edge. More information regarding the opening of Mill Creek Lake to swimming will be published in future weeks.
