### **Amherst County Library Wi-Fi Open to Public**

In response to COVID-19 and Governor Northam's request that people not gather in groups of more than ten, both branches of the Amherst County Public Library have been closed to the public. To continue to serve the community, the Library will keep their Wi-Fi access open to the public. Community members can access the library's Wi-Fi from the parking lot of the Madison Heights and Town of Amherst Library locations. The Wi-Fi can be accessed any time of the day, seven days a week.

Library director, Steve Preston, hopes that providing Wi-Fi access will be able to help community members that do not have access at home download schoolwork, apply for unemployment, or handle other online tasks.
