#### Update on the Route 29 Business Beautification Committee

The Route 29 Business Beautification Committee works to beautify the roadways of Amherst County so as to instill pride and appreciation of the citizenry in the attractiveness of their community. The Committee is working on a number of initiatives that are promoting the attraction of customers to the 29 Business corridor.

One initiative that the Committee is working on is to improve the aesthetics of the corridor. Recently, the committee requested that VDOT remove debris and clean the curbing and gutters along Route 29 Business in Madison Heights. Currently, VDOT is working to clean all of these gutters totaling 6 miles of roadway.
