Case Managers Needed for Amherst Disaster Recovery Group

There will be a meeting for those individuals interested in becoming Case Managers for the Elon Disaster area. The meeting is Tuesday, July 31st at 7:00pm in the Public Meeting Room of the County Administration Building. Case Managers will be responsible for taking applications for disaster relief and will follow through with the applicant. If response is good, each caseworker will only be responsible for one family. Those residents affected by the disaster are not eligible to be Case Managers. Until we know the extent of the need, the Amherst Disaster Recovery Group cannot apply for grants. This is a vital step in recovery. The attendees will decide future meeting times.

Additional information may be obtained from Layney Sandifer at lesandifer@countyofamherst.com or (434)-946-9400.
