Second Stage | Amherst earns Chamber of Commerce Non-profit of the Year Award

Second Stage | Amherst, a non-profit center for community and creativity in Amherst, has received the Amherst County Chamber of Commerce's Non-profit of the Year award. Penny Hawes, Operations Manager, accepted the award at the Chamber's Annual Dinner May 13th.

"It's wonderful that people are discovering Second Stage", commented Hawes. "We have a great core of dedicated people who have brought this building along from being slated for demolition to the beautiful, welcoming space it is today."

In addition to being a performance venue, Second Stage has 10 studios rented to artists and small businesses, hosts a summer arts camp, runs the Second Street Farmers' Market, and offers rental of its public spaces for everything from birthday parties to weddings.
