## **Second Stage Amherst receives grant from the Greater Lynchburg Community Foundation**

The Greater Lynchburg Community Foundation has awarded a grant to Second Stage Amherst to fund buildout of the coffee shop which will be leased and operated by Baine's Books and Coffee, as well as upgrade internet connectivity in the building. The money will be used complete the building project for the new coffee shop and install new equipment to augment the existing internet and wifi currently in the building.

The construction of the coffee shop and installation of the new internet equipment is expected to be complete by late summer.

Second Stage Amherst is a center for creativity and community in downtown Amherst, VA. We provide a place where the cultural, civic and economic vitality of Amherst County is encouraged. More information about Second Stage and the progress of the coffee shop construction can be found at [www.secondstageamherst.org](http://www.secondstageamherst.org).
