Lowesville Tower Now Equipped with Broadband

Amherst County and SCS Broadband are pleased to announce that the privately owned Lowesville Tower is now equipped with Broadband access. Lowesville is the fourth of seven towers to be fitted with SCS's broadband equipment. This is part of an ongoing process to provide wireless broadband internet to schools, businesses, and residential areas in Amherst County. SCS is continuing to work on equipping three more towers with Broadband in the coming months. The map below indicates the area that will be able to gain access through SCS's broadband service, through the Lowesville Tower. In order to ensure a broadband signal is strong enough for your residency, please call SCS at (434) 263-6363.

Additional information may be obtained from Joy Niehaus at jlnehaus@countyofamherst.com or (434)-946-9400.
