Community Sign in Elon Village

A new community sign was installed in Elon Village as part of the Board of Supervisors' placemaking efforts.

The sign's design was reviewed by citizens John Oblinger, Barry Tucker, and Planning Commission member Jim Thompson and the Amherst County Community Development office. It was built and installed by McBride Signs. The sign features a mountain to reflect its relationship with Tobacco Row mountains and High Peak and a canoeist because of the close proximity to the James River and Monacan Park.

The sign is located in the Elon Village near Elon Presbyterian Church. This is the second community sign installed in 2021. The first sign was installed in Lowesville this summer.

Additional information may be obtained from Joy Niehaus at jlnehaus@countyofamherst.com or (434) 946-9400.
