About the Department:

Amherst County Public Safety (ACPS) is the career side of a combined Fire & EMS Department in beautiful Central Virginia. Operating out of three rescue stations on a 24/48 hour shift schedule. Our dedicated FF/EMTs and FF/Paramedics respond to over 5,000 calls for service each year. Calls originate from areas in both urban and rural settings, giving our providers the opportunity to work in a fast-paced environment with the ability to develop their patient care skills transporting critical patients over long distances. Our equipment includes Zoll Cardiac Monitors, AutoPulse, Lucas, and integrated Computer Aided Dispatch computers in all medic units. The Department operates in Blue Ridge EMS Council which has a progressive protocol committee implementing cutting edge pre-hospital practices routinely.

ACPS is hiring a crew of ALS providers for our fourth shift in order to move to a 24/72 schedule.
