Fange: Game cancelled due to weather - probabable resched					
Red: Game cancelle					
NOTES:					
1. All players must wear shin guards to play and no jewelry is allowed.					

2. Coaches are not allowed to change game days & times. Elizabeth Parr at the Amherst County Recreation Department is the only person who can cancel or reschedule games.

3. Parents may call 434-946-9371 an hour and a half prior to the start of games to find out if games have been cancelled due to weather. U18 Divisions can check the CVRSA website for field conditions and cancellations.

4. Some divisions have "bye weeks" which are weeks with no games for one team. This is due to there being an odd number of teams. However, each team will get an equal amount of games across the season.

5.The Rec Dept will provide certificates of completion for each child at the end of the season but each team is responsible for their own team pictures and end of year parties!
