Amherst County Receives Community Development Block Grant

Amherst County has received a Community Development Planning Grant from the Virginia Department of Housing and Community Development (VDHCD) to assess housing and infrastructure needs within the South Madison Heights area. The goal is to create a redevelopment strategy that will eventually revitalize an area within the Madison Heights community. We want to hear from you to determine areas of most need in south Madison Heights along parts of Seminole Drive, Lakeview Drive, Old Wright Shop Road, and the Lakeland Circle subdivision. Please take a moment to complete a brief survey to provide feedback about community needs by clicking on the following link:
